

# Aritco Platform Lifts

---

# 5 MODELS HUNDREDS OF OPTIONS

Artico manufactures three different lifts for the home market: The **Aritco 4000**, **Aritco HomeLift Access** and **Aritco HomeLift**. And three models for public & commercial market: The **Aritco PublicLift Access**, **Aritco 9000**. Find out which model and size is best for you.

# Aritco HomeLift

Aritco HomeLift is designed to ignite the full potential of your home. It goes beyond mere function to be a spectacular design feature that makes your home stand out, while giving you that extra feeling of luxury.

# Explore Aritco HomeLift

## Key features

Aritco HomeLift comes with luxury design features like the DesignWall, a backlit wall with selected art from prominent Scandinavian designers, and DesignLight, with state-of-the-art lighting that you can control via the SmartLift app. The lift is operated via a unique solution: a steering wheel called the SmartControl. The lift is equipped with our SmartSafety system, with safety features that anticipate situations and prevent accidents.
